DOE ORDER # 704

Mr. Timothy Rehder  
Rocky Flats Project Officer  
Environmental Protection Agency  
EP Region VIII  
999 18<sup>th</sup> St., Suite 500  
Denver, CO 80202-2466

Dear Mr. Rehder:

Enclosed is a copy of *The Decontamination and Decommissioning Characterization Protocol* ("protocol") and the *Reconnaissance Level Characterization Plan* (RLCP). It was revised to accommodate additional comments received from the Colorado Department of Health and Environment (CDPHE) and the Environmental Protection Agency, Region VIII, (EPA), which resulted from transmittal of an earlier draft on January 25, 2000, by letter 00-DOE-01169 to both agencies. The protocol is being transmitted to both the CDPHE and EPA for concurrence as required by section 2.3 of the *Decommissioning Program Plan*. The RLCP is transmitted for your information, and not for concurrence.

As you are aware, the protocol and the RLCP will be revised from time-to-time to incorporate new information and requirements. The revisions will be discussed with the appropriate regulatory point of contact for characterization. If you have any questions, please contact Fred Gerdeman at (303) 966-6203.

Sincerely,

*Joseph A. Legare*
